	This is the second trainload of Soviet women which arrived aboard Soviet leave trains. There have also been small shipments. the first train carried components of tunidentified artillery division from Potsdam, which went to Altengrabow. Second train possibly belonged to the same movement.	The
į	regarding the origin of the unit is believed to indicate that the train carried a component of the unidentified AAA Divspossibly the 32d, and had not came from the east.	tich OX1-HUM OX1-HUM
